FORM I-79

## SUGGESTED CHANGES

## BOOK CABLE - POLICY AND GUIDELINES FOR USE OF ANNUITANTS

are from	Use the word civilian other government agencies.	because	some	annuitants	25X1
2.	No change.			•	
3.	Add at the beginning of this paragraph:				
	Subject to the provisions of				25X1
	Delete the word consultants from paragraph confusion.	3c. to a	void	possible	

4. Substitute the following for paragraph 4:

Annuitant independent contractors are normally paid on a fee-for-task basis or at daily rates for days when actually used. The fee or rate will be determined by the nature and value of the product or services to be rendered except that the combined compensation during a contract year from the annuity and fees may not exceed the current maximum payable per annum rate of a GS-15 (currently \$50,112.50). Although past experience has shown that daily rates have tended to be in the \$100 - \$150 range, it follows that the higher the daily rate, the fewer days the annuitant can be utilized to complete the task, and this factor should be taken into account for formulating proposals.

- 5. No Change.
- 6. Substitute the following for paragraph 6:

Normally annuitant contract employees are paid the salary of the grade of the position for which employed and in many instances this would be the same grade and step level at which they retired. The individual's per hour annuity is offset against the hourly salary of the positions for which hired, with the resulting hourly rate representing that difference.

7. Substitute the words "to satisfy requirements" for the words "to perform functions" in line four of paragraph 7.
